With more 200+ machines installed across India these models have become the need of the hour for the industry.

F20HPC

20" Hydraulic cutting and clamping with 88 programmes and 99 cuts in each program

20 HP /22 HP

20"/22" Hydraulic cutting and clamping with programming

Product Features

- LED- Digital Display with indication accuracy up to 0.01mm
- Electro-mechanical Blade and clamp drive
- Electronic hand wheel for fine gauge setting
- Optical cutting line, two side guides
- Transparent safety guards on back tables, infrared safety on front table, blade latch device, two hand operation
- Easy mechanism for replacement of blade and stick
- **F20HPC** comes with chrome table, CE approved, arm swings, foot paddle, 80 programmes with 99 cut in each Program and state of the art blade movement technology

Product Specifications	F20HPC	20 HP /22 HP
Max paper size mm	520 x 520	520 x 520 or 560 x 560
Min. Cutting size mm	30	30
Max. Cutting pile mm	80	65
Cutting precision mm	<0.2	<0.3
Clamping method	Hydraulic	Hydraulic
Cutting length behind knife mm	520	520/560
Table length in front of knife mm	24.5	24.5
Display	LED	LED
No of Programs	80	9
Cuts per program	99	8
Power	AC 220 V 50 Hz	AC 220 V 50 HZ
Power consumption	4500 W	4500 W
Weight	382 kg	380 kg
Dimension mm	1150 x 1470 x 1450	950 x 800 x 1270

20 EM

20" Electric Cutting and manual clamping

20 EP

20" Electric cutting and clamping with programming

Product Features

- Small foot print - saves space
- Single phase power
- Easy to operate

All these machines are with Large display, laser light for accurate cutting, easy to use operations, single phase power.

F20HPC comes with chrome table, arm swings, foot paddle, 88 programmes with 99 cuts in each program and state of the art blade movement technology.
